25X1A

1. OSR sent IAS a memo commending us for our contribution in support of their MBFR studies, with a special note of thanks to [redacted] and the Ground Forces Branch.

25X1A

2. The IC Staff has proposed a Security Committee for USIB to coordinate security policies and programs within the community.

3. George Carver will be the senior NIO. He is working with a list of nominees for other NIO positions and will be charged with developing a charter and procedures. It still hasn't been determined whether there will be 9 or more National Intelligence Officers. Mr. Colby wants the whole NIO structure operational by the end of the year. [redacted] will be Carver's Executive Assistant.

25X1A

4. No date has been set yet for the decompartmentation of T-KH information, and details are still being developed.

25X1A

5. [redacted] presented a report to Mr. Colby on black employment in the CIA compared with black employment in NSA. NSA's percentage of blacks is 8.8, whereas CIA's blacks constitute 5.3 percent of total employment. There was considerable discussion on the relevance of this comparison and of ways of improving CIA's equal opportunities position.
